

MEDIA RELEASE FORM- CAREER DAY 12/18/24

MEDIA RELEASE FORM

InspireMSP is a 501(c)(3) organization that partners with youth organizations and schools to provide students with experiences that expand their understanding of the creative industry and the many possibilities it offers. We prioritize creating student-centered, engaging, and fun experiences to ensure all students feel welcome and included.

Important Notice:

If you have already filled out a media release for InspireMSP, you do not need to complete the following form. If you have not, we require this completed form for your student to attend Career Day on December 18th at the Target Center.

Why is this necessary?

Career Day will bring together over 800 students for an incredible opportunity to explore various career paths and network with leading creative professionals from Minnesota. This day is designed with the students in mind, and it will be filled with fun, positive energy, and hands-on activities. We aim to capture images and videos of the event to highlight its success and help us improve each year.

Your partnership is essential in making this day possible, and we value and respect the identity of every student. Due to the large number of participants, we are unable to track individual student preferences during the event. Therefore, we require all attending students to have a media release form on file.

By signing below, you grant us permission to document the day's activities and use the materials for future promotion and outreach.
